Allowable Subject Matter

The following is an examiner's statement of reasons for allowance: none of the prior art taught or suggested a liquid crystal device having first, second and third negative birefringence compensators located on the light exit side, the first compensator compensating for the phase difference caused by liquid crystal molecules in a light-entry-side region of the liquid crystal layer, the second compensator compensating for the phase difference caused by liquid crystal molecules in a light-exit-side region of the liquid crystal layer, and the third compensator compensating for the phase difference caused by liquid crystal molecules present in a region of the liquid crystal layer excluding the light-entry-side and light-exit-side regions.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

Any inquiry concerning this communication or earlier communications from the examiner should be directed to David Chung whose telephone number is (703) 306-0155. The examiner can normally be reached on Monday-Friday from 8:30 am to 5:00 pm.
